About

Hardworking, passionate and dedicated who believes that anything is possible through hard work and determination. An introvert but when comfortable, can fit in any crowd. During my off times, I enjoy hobbies such as drawing and painting, meditating to clear the mind and soul and will often find me writing poetry.

Work Experience

Web Developer Intern
LC Studio | September 2021 - 2022

Aspiring Web Developer, learning new frames such as node js, vue js, mongoDB and postgreSQL

Academic History

Life Choices Coding Academy
Aspiring Web Developer | 2021 - 2021

Studied at this academy to be a fullstack developer. I've learnt a lot from coding, having a minimal amount of knowledge in HTML to learning CSS, JavaScript and Python within 6 months, as well as personal development

Voortrekker High School
Scholar | 2016 - 2020

Matriculated in 2020 during the pandemic. My main subjects were pure math, business, CATand art.
